

Terms and Conditions apply: One promotional credit per customer. Promotional credit is available only to new Google AdWords customers who sign up using the on-line self-managed process via www.adwords.co.uk and whose accounts are less than 14 days old at the time you enter your promotional code. Use of Google AdWords and redemption of the promotional credit is subject to ad approval, valid registration and acceptance of then current Advertising Terms and Conditions and an account activation fee (currently €5). The promotional credit will be automatically credited to your new Google AdWords account once you have entered your promotional code and billing preferences. You will be charged for any advertising charges that exceed the promotional credit, and you are solely responsible for the payment of any taxes incurred. If you do not wish to incur additional charges beyond the promotional credit then you should monitor your account and pause or delete your campaign before or once this amount has been reached. The promotional credit is non-transferable and may not be sold or bartered. If you indicate that your Google AdWords account should be subject to a different currency to the one in which your promotional credit has been awarded, then the actual amount of the promotional credit may be subject to foreign currency fluctuations. Offer may be changed or revoked at any time for any reason by Google Ireland Limited and/or any affiliated company offering the AdWords service in your country. Offer expires 31st of December 2008. Void where prohibited or restricted by law. Google and AdWords are trademarks of Google Inc. and are registered in the US and other countries. Your use of this voucher and/or the promotional credit constitutes your acceptance of these terms and conditions.
